

**Interdisciplinary Learning with
Dr. Leslie Wang DMD, FRCD (C) & Benita Soni:**
*Giving You A Clinical and Practical Approach in Endodontic and
Dental Best Practice Management Principles*

DR. LESLIE WANG

Dr. Wang graduated from the University of Pennsylvania School of Dental Medicine in 2001 and practiced as a general dentist in Vancouver for five years. She then pursued specialized training in endodontics at the University of Southern California, completing her certification in 2008.

Following her training, Dr. Wang founded Crescendo Dental: Advanced Endodontics and Microsurgery Centre in Richmond. She also serves as a part-time clinical faculty member at the University of British Columbia (UBC) while also running the Crescendo Mini Residency, a hands-on study club focusing on advanced endodontics.
