### Benita Soni

Benita has over 30 years in the dental industry. She started as a CDA / Treatment Coordinator and moved into Practice Management in the first 18 years of her career.

Benita's experience spans both general and specialty dental practices, with a strong focus on comprehensive restorative and surgical care. Over the last 12 years, she has served as a General Manager in multi-practice settings, provided private consulting to boutique and group practices, and led regional operations initiatives. During this time, she has designed and written numerous training programs for dentists and staff that have consistently driven practice growth and success.

With a unique ability to connect with dental teams and empower them, Benita aligns staff around Best Practice Principles that enhance patient-centered care, improve operational efficiency, streamline workflows, and significantly boost overall productivity.
